Playoff Spots At Stake In Three Contests

Three very important games in the South Penn and Pen-Mar Baseball Leagues are included on the schedule over the weekend as all six teams involved seek definite positions for Shaughnessy playoffs.

Mummasburg and Jefferson of the South Penn League will meet Saturday afternoon at 2 o'clock to settle second and third place positions, the teams being deadlocked at the close of the regular schedule.

The winner will be host to Brushtown on Sunday as the playoffs start while the loser will play at Arendtsville. Both semifinal series will be bestof-three affairs with the finals a similar series.

Two games are scheduled Sunday in the Pen-Mar circuit. Fairfield plays at Hanover while Blue Ridge is at Taneytown. A win for Hanover would mean second place with Fairfield dropping to third. A Fairfield triumph would require still another game with Hanover playing at Fairfield September 6.

Taneytown must defeat Blue Ridge Sunday and again the following Sunday to qualify for the playoffs. A win for Blue Ridge this Sunday would give it fourth place and eliminate Taneytown.

OPEN HOUSE AT GHS CAMP ATTRACTS 150

A surprisingly large turnout of about 150 local football fans attended the "open house" Thursday evening at Camp Shand, near Carlisle, where the Gettysburg High School varsity football squad is undergoing a week of drills preparatory to the opening of the season with Westminster here on September 11.

The guests included members of the Junior Chamber of Commerce, sponsors of the camp, their wives, parents of players and other fans. Don Young, head coach, and

his assistants, sent their squad through plays from 7 to 8:45 and pointed out fundamentals which understand game conditions. Young indicated he was pleased

and said he believed his team would give a good account of itself during the campaign. He said that while the players were lack ing a bit in weight he believed they would be a bit faster than previously. The squad will break camp

Saturday morning and next week will drill each day following school sessions which resume Tuesday Approximately 60 candidates for the Gettysburg Junior High and Spider squads underwent physical examinations here on Wednesday.

How To Close A Cottage

Before closing your summer home, make sure that precautions are taken to keep the house in shape during the winter. Here are a few tips that should prove helpful to owners of summer homes and cottages:

Air all bedding in the sunshine before storing. Spray all bedding with a moth proofer and store in closets, tight-fitting trunks or new galvanized steel garbage cans with close-fitting covers. Cean and wax refrigerators and stoves.

Dispose of all foods. Shut off water, drain water out of pipes and turn off electricity and gas.

Remove screens, wax the edges of the frames and store. Shutter and board all windows and doors. Cover chimneys to keep out squirrels and birds and close all

dampers in stoves and fireplaces Before storing garden tools and outdoor furniture, give them a coat of paste wax or light oil.

Wax boots, bathing caps, baseball gloves and other leather and rubber articles. Also wax fishing tackle, golf clubs and paddles. Store all flammable liquids in steel fuel cans. Be sure to drain the gas and oil from the power mower and outboard motor and put it in a fuel can with a tight-fitting cap. Don't use glasses, bottles or jars to store flammable liquids; they break too easily. Remember where you put the key!

Then when I have spent most of the summer rooting them out, the last cunning survivors always enlist the help of my own youngsters to plant a bumper crop for next year.

But there are weeds more serious than dandelions—weeds which like the tares in Christ's parable are planted by an Enemy. These are my real concern when I think about my youngsters. I want no evil to choke or twist the character of my sons and daughters. Nor do I want them to spread the spores of evil that will undermine the character of others.

I believe that God meant me to seek truth and moral courage through the teaching, preaching and fellowship His Church provides. Every Sunday I share these blessings with my family.

THE CHURCH FOR ALL . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
